

Door County Food Pantry Coalition

Our pantries are stocked, and we are eager to help those in need. We want to help; we are here for you.

Whether you've visited our pantries in the past or have never sought out our support, we are here for you.

Whether you live alone or need food to feed a large household, we are here for you.

Whether you can't afford groceries or want to supplement your pantry to create wiggle room in your budget, we are here for you.

Our community is here for you.

*Participants can come in once per month (participants can come in more if there is an emergency situation); participants show a picture ID to prove identity; once per year participants provide a piece of mail with name/address of all household members as proof of residency; participants self-declare their income is under 200% of the Federal Poverty Guidelines.

The Door County Food Pantry Coalition was created as a joint initiative between nine Door County food pantries, United Way, and the Door County Community Foundation. Our alliance is devoted to providing food and other supplies to individuals and families experiencing financial hardship.
